Teaching Position — Middle & High School

Full-Time or Part-Time · Faculty Opening

Do you want to invest in a child's future through Christian education?

Baldwinsville Christian Academy (BCA), a ministry of Faith Baptist Church, is a K–12 private Christian school committed to providing an excellent, Christ-centered education. We are seeking dedicated educators who share our mission of shaping students academically, spiritually, and personally within a nurturing Christian environment. We invite qualified candidates to consider joining our faculty for the coming school year.

Position Overview

BCA has openings for both full-time and part-time teaching positions. The ideal candidate is flexible, collaborative, and eager to serve a variety of learners, with a preference for those able to teach in our middle school and high school programs (grades 5–12). Because we operate in a multi-grade setting, willingness to work with a wide range of ages and subject areas is essential.

Qualifications

- A personal, active Christian faith and a heart for Christian education.
- New York State teaching certification or ACSI (Association of Christian Schools International) certification is preferred.
- Prior classroom teaching experience is preferred.
- Willingness to teach across a range of grade levels, ideally within the middle and high school areas.
- Strong communication skills and a warm, professional, student-centered approach.
- A team-oriented spirit and a commitment to supporting the broader mission and ministry of BCA.

Why Join BCA

At Baldwinsville Christian Academy, teachers are more than instructors—they are mentors and ministers who invest in the whole child. Our faculty enjoy small class sizes, a supportive community, and the freedom to integrate faith and learning in a meaningful way. If you are passionate about education and called to serve within a Christian school setting, we would love to hear from you.
