Homeschool Extension information available upon request.

*First payment due August 31

ELEMENTARY (K - 4)

Our school acts as an extension of the Christian home environment, with teachers, parents, and students learning together. We help children discover their unique gifts to serve God and others.

Grades K-4 use traditional classroom teaching utilizing the Abeka curriculum covering math, language, history, science, Bible, and more. Students enjoy field trips, special events, and various enrichment activities.

Our academic success comes from effective prayer, quality curriculum, dedicated teachers, parent involvement, God-centered studies, and our belief that strong faith and academic excellence work together.

MIDDLE SCHOOL (5-8)

Our middle school program addresses the unique needs of students during this important developmental stage. We provide a supportive environment that integrates Biblical teachings into daily activities while encouraging personal spiritual growth. Our academic program prepares students for the transition from elementary to high school.

Our strong academic results come from: prayer, teaching the whole student, enriching curriculum, dedicated teachers, parent involvement, God-centered studies, and our belief that faith and academic excellence work together.

HIGH SCHOOL (9-12)

Our high school provides a comprehensive program that equips students for success in higher education and life beyond. Our education is both academically rigorous and biblically grounded, preparing students to be effective leaders and servants in the 21st century.

Our dedicated Christian faculty are qualified professionals with a heart for training up the next generation. We offer a full range of courses. Regular assessment ensures students are prepared for whatever path God has for them after graduation.

CHAPEL

Students in grades K-4 and 5-12 gather for chapel every week. This special time allows students and teachers to grow closer to God by worshiping together through music and hearing Biblical teaching. Each week, the Gospel message is presented—teaching students about Jesus Christ's life, death, and resurrection, and how His sacrifice offers salvation to all who believe. These chapel services help students understand core Christian principles and how to apply them in their daily lives.

Parents are always welcome to attend weekly chapel!
