Homeschool Extension

BCA's Homeschool Extension program is designed for families who are committed to homeschooling, but desire to supplement their curriculum with courses offered at BCA. We offer a wide range of options for core classes in grades 5-12, with electives offered on a rotating basis.

Elementary students (K-4) can choose from art, music, or physical education (PE) as extension courses at BCA.

We would love to partner with you in your homeschooling journey!
