SOCCER

Soccer is our fall sport with both a boys and a girls team. BCA's annual homecoming event takes place during this season with our traditional night game under the lights.

Students in grades 6-12 are able to participate, including our homeschool extension students.

As part of the ESCAL league, BCA plays teams across NY from Oswego, Cortland, Syracuse, Seneca Falls, Auburn, and more!

BASKETBALL

Basketball is our winter sport with both a boys and a girls team. In addition to the regular season, our teams also participate in tournaments.

VOLLEYBALL

Volleyball is our spring sport with both a boys and a girls team. Volleyball is a great opportunity for students who are just starting their sports journey.
