“Making Much of Christ”

Dear BCA family,

At the request of our parents and to ensure the safety of our students, all BCA employees and volunteers (including parents of BCA students) need to pass a criminal background check yearly before they are allowed to work with or around our children. Please understand that the intention of this procedure is only to ensure the safety of our children. If you will not be working with or around the children, you are not required to fill out the form.

However, we want to remind you that, as stated in the handbook, that BCA continues to be committed to providing the best possible value, and our desire is to keep tuition increases to a minimum. Parents are encouraged to provide a minimum of 36 hours (per family) of “parental service” during the school year to help offset some of the expenses associated with running the school, to encourage parental involvement, and to foster family atmosphere at the school. Single parents are encouraged to provide a minimum of 18 hours of parental support. For parents who choose not to serve, a \$200 per family fee will be assessed. Parents may elect to provide service in the following ways: cafeteria support, school event support, teacher’s aide support, and maintenance/cleaning activity. The school board will review exemption requests for those who have extenuating circumstances that make service impossible.

Attached is the record check consent form. We ask that you fill out the form and return it with your enrollment documents.

If you have any questions, please do not hesitate to contact the office at 315-638-2494.

In Christ,

Baldwinsville Christian Academy School Board
